## Seef contractors honoured

**MANAMA:** Seef Properties last night honoured the contractors and the project team who completed a BD300,000 expansion of Marks and Spencer anchor store.

The work included an external expansion of 1,002sqm to the east side of the mall.

The expansion was added to the tenant based on his request and to fulfil his new operational requirement, said Seef Properties projects and development assistant manager Dr Yasser Osman.

The project was designed by EMAAR (Architects and Consulting Engineers) and constructed by Master Construction.

Seef Properties Technical Division acted as client representatives.

"The project was completed within the anticipated time frame and with the quality required by both Seef Properties and tenant and below the anticipated

budget," said Dr Osman.

Master Construction general manager Antony John said the work was completed in six months.

"This shows that quality work can be accomplished while dealing with technical clients," he noted.

Seef Mall covers over more than 150,000sqm.

The mall currently offers customers a selection of almost 300 retail shops of various international brands, a 16 screen multiplex cinema and more than 40 restaurants and coffee shops, which combined, offer seating for approximately over 2,000 people.

The mall also provides a

650-vehicle multi storey covered car park with air-conditioned entrances leading to all the mall's main shopping floors, with a further 2,250 car parking spaces surrounding the mall.
